MOMENTS OF MODERN TAILORING

The streets are coming alive with a renewed sense of dynamic energy and style for our Autumn/Winter Campaign, an international and contemporary expression of tailoring classics, celebrating tradition and quality in fresh, vibrant ways. Shot on the sophisticated streets and hidden corners of cosmopolitan Amsterdam, this capsule tips its hat to modern European tailoring visionaries, walking a line between the old and the innovative new.

A/W 22 COLLECTION

Perfectly bold yet classically conservative - Customise every detail of your new Autumn corporate staple.
